JUPITER RETROGRADE PERIOD:

Jupiter retrograde can be a time where we feel lazier than usual, lack motivation to get much done, but can also sort through some karma and connect more to our spiritual selves if we turn inward and work on understanding the past..

In Aquarius, this may mean we put changes on hold as we deal with past or subconscious issues that have kept us from being true to ourselves, have the independence we want and need, pursue our dreams, and find where we belong.

Retrograde period:

Jupiter retrograde in 2021 actually starts in Pisces on June 20th 2021 (11:05AM ET/7:05AM PT) @ 2 degrees 11 minutes Pisces.
