JUPITER RETROGRADE PERIOD:

Jupiter retrograde can be a time where we feel lazier than usual, lack motivation to get much done, but can also sort through some karma and connect more to our spiritual selves if we turn inward and work on understanding the past.

In Gemini, this can impact our minds, and we can be mentally lazier and take longer to work on our ideas and plans. There can be old blocks to work through, and we may need to slow down to make sure we have all of the information we need.

Retrograde period:

Jupiter retrograde begins on October 9th 2024 (3:04AM ET/12:04AM PT) at 21 degrees 20 minutes Gemini. This retrograde ends on February 4th 2025 (4:40AM ET/1:40AM PT) at 11 degrees 17 minutes Gemini.
