GENERAL: Challenging for communication. We're prone to fights, we don't want to listen, and we have a hard time focusing. We need to do a better job at listening, and focus on channeling extra mental energy productively.

FOR YOU: Mercury squares Mars targets you specifically since Mercury is in your sign and first house, and Mars in the tenth house. Mercury in your sign amplifies your mental energy and activity, and Mars in the tenth house increases ambition and focus on goals. You may feel that you're too stretched with your goals though, and responsibilities might be getting to you. Try to give yourself some space from the serious. If you're a Libra Sun, this can be strongest for you if you're born October 8th - 12th.

LIBRA [MERCURY], CAPRICORN [PLUTO]

GENERAL:

Anaretic. Extra passionate about our ideas + plans, and we can get into it over anything we're wrapped up in. This isn't good for objectivity, and we may have a hard time opening up our minds and ears. We may want to jump quickly as Mercury exits Libra about 5 1/2 hours later, so we act fast but lose steam.

FOR YOU:

Mercury square Pluto targets you directly as Mercury is in your sign and first house, and Pluto is in the fourth house. Mercury in your sign increases mental energy, while Pluto in the fourth house has brought lots of focus and transformations at home and internally. You might be torn between focusing emotionally, or having to give more support to others and ignore yourself, or require more from others. Some balance is needed. If you're a Libra Sun, this aspect can be strongest for you if you're born October 19th or later.
