Tuesday

Venus enters Pisces

**EXTRA: 3:43PM
until April 20th**

Venus moves into gentle Pisces on Tuesday, and we can be more compassionate, empathic, and understanding in our relationships and dealings with others. Charisma can be heightened, as well as intuition and spirituality, and we can feel creative and inspired. We may need to work on healthy boundaries though, as we can be more easily taken advantage of. What houses will transit Venus tour in your chart while in Pisces? The areas of life ruled by these houses can get the focus for intuition, spirituality, creativity, and compassionate connections. How can you use the energy?

Thursday

Mercury Direct
EXTRA: 9:59AM
16 deg 5 min Pisces

Mercury retrograde ends! The end of the retrograde is conjunct (aligned with) Neptune, natural ruler of Pisces, in Pisces, so we have extra Neptune/Pisces energy coming out of this retrograde. We may expose something or become aware of something hidden, deal with something subconscious or from the past, let go of something important, have to exercise more compassion, feel deeply intuitive and spiritual, and need stronger boundaries. This can be most focused on the areas of life ruled by the house Mercury retrograde ends in for you.
