March 4th - 10th 2019 Worksheet

Tuesday

Mercury retrograde begins

EXTRA: 1:19PM

29 degrees 38 minutes Pisces

This retrograde occurs entirely in Pisces, and ends March 28th (16 deg 5 min Pisces). It begins at an especially sensitive point, and we can have high emotional energy, strong instincts, overactive imaginations, and can be extra vulnerable. We need solid boundaries, plenty of rest, and to be sweet to one another. This can be an excellent period for bringing something back that you thought was long gone. What house(s) will the retrograde occur in for you? What may that impact? What aspects does the retrograde make to your chart?
