Note areas of life that may be impacted by what the Venus rules, the house it resides in, and the house(s) it rules in your natal chart:

*Venus rules your relationships, other people, compromise, peace, grounding, stability, & the senses.

What potential developments could occur related to *Mercury retrograde* aspecting your natal *Venus*?

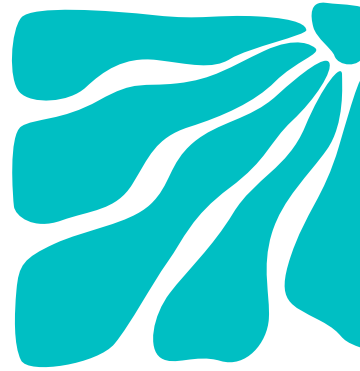

How can you prepare now to make this positive and beneficial?

Set a beneficial goal related to the *Mercury* retrograde aspecting your natal *Venus* and brainstorm how you can make this happen:

Does the *Mercury* retrograde aspect your natal *Mars*? If so, what is the aspect?

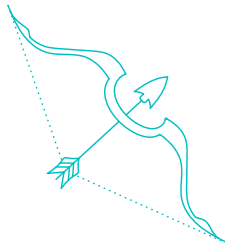

mars

Which house in your natal chart does your *Mars* reside?

Which house(s) in your natal chart does your *Mars* rule?

The house(s) your natal *Mars* rules is the house that has *Aries* on the cusp. If none of your houses have *Aries* on the cusp, your *Mars* is co-ruler of the house that has *Pisces* on the cusp.

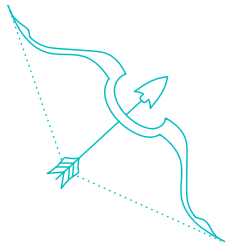

When will Mercury retrograde make this aspect to your Mars?

*see lesson 6 of the e-textbook

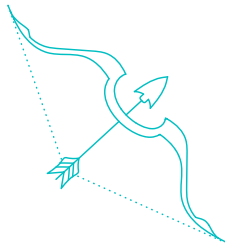

Note areas of life that may be impacted by what the Mars rules, the house it resides in, and the house(s) it rules in your natal chart:

*Mars rules your energy and drive, motivation, taking initiative, leading, and fighting.

What potential developments could occur related to *Mercury retrograde* aspecting your natal *Mars*?

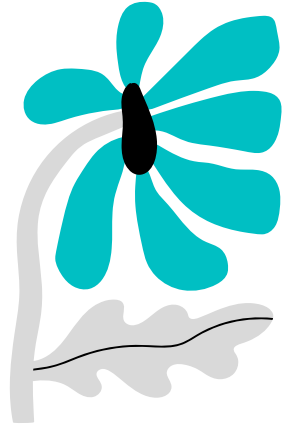

How can you prepare now to make this positive and beneficial?

Set a beneficial goal related to the *Mercury* retrograde aspecting your natal *Mars* and brainstorm how you can make this happen:

ceres

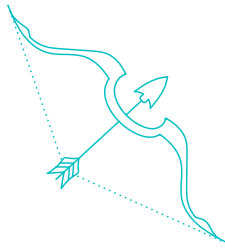

Does the Mercury retrograde aspect your natal Ceres? If so, what is the aspect?

Which house in your natal chart does your Ceres reside?

Which house(s) in your natal chart does your Ceres rule?

Ceres is argued to rule Taurus, so the house(s) your natal Ceres rules is the house that has Taurus on the cusp. If none of your houses have Taurus on the cusp, your Ceres is co-ruler of the house that has Aries on the cusp.

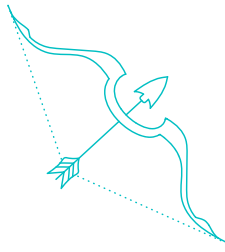

When will Mercury retrograde make this aspect to your Ceres?

*see lesson 6 of the e-textbook

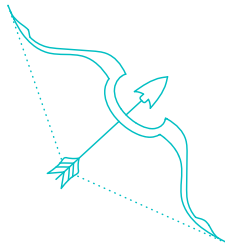

Note areas of life that may be impacted by what the Ceres rules, the house it resides in, and the house(s) it rules in your natal chart:

*Ceres rules nourishment, support (get and give), resources, and money.

What potential developments could occur related to *Mercury retrograde* aspecting your natal *Ceres*?

How can you prepare now to make this positive and beneficial?

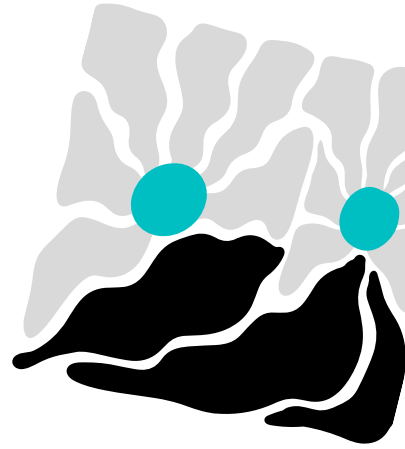

Set a beneficial goal related to the *Mercury* retrograde aspecting your natal *Ceres* and brainstorm how you can make this happen:

jupiter

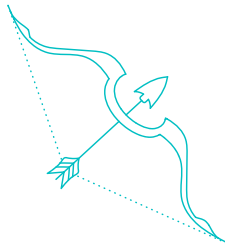

Does the Mercury retrograde aspect your natal Jupiter? If so, what is the aspect?

Which house in your natal chart does your Jupiter reside?

Which house(s) in your natal chart does your Jupiter rule?

Jupiter is the ruler of Sagittarius so the house(s) your natal Jupiter rules is the house that has Sagittarius on the cusp. If none of your houses have Sagittarius on the cusp, your Jupiter is co-ruler of the house that has Scorpio on the cusp.

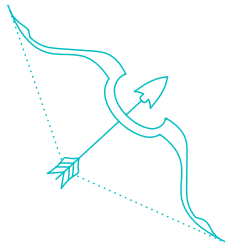

When will Mercury retrograde make this aspect to your Jupiter?

*see lesson 6 of the e-textbook

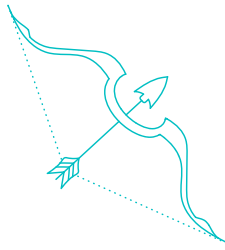

Note areas of life that may be impacted by what the Jupiter rules, the house it resides in, and the house(s) in rules in your natal chart:

*Jupiter rules expansion, exploration, optimism, the big picture, and opportunities.

What potential developments could occur related to *Mercury retrograde* aspecting your natal Jupiter?

How can you prepare now to make this positive and beneficial?

Set a beneficial goal related to the *Mercury* retrograde aspecting your natal *Jupiter* and brainstorm how you can make this happen:

Does the *Mercury retrograde* aspect your natal Saturn?

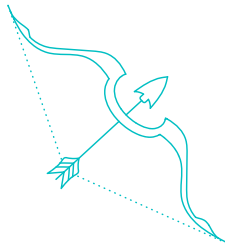

saturn

Which house in your natal chart does your Saturn reside?

Which house(s) in your natal chart does your Saturn rule?

Saturn is the ruler of Capricorn so the house(s) your natal Saturn rules is the house that has Capricorn on the cusp. If none of your houses have Capricorn on the cusp, your Saturn is co-ruler of the house that has Sagittarius on the cusp.

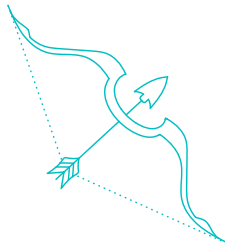

When will Mercury retrograde make this aspect to your Saturn?

*see lesson 6 of the e-textbook

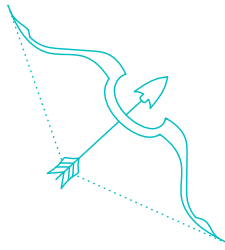

Note areas of life that may be impacted by what the Saturn rules, the house it resides in, and the house(s) in rules in your natal chart:

*Saturn rules your life lessons, limitations, responsibilities, goals, and authority.

What potential developments could occur related to *Mercury retrograde* aspecting your natal Saturn?

How can you prepare now to make this positive and beneficial?

Set a beneficial goal related to the *Mercury* retrograde aspecting your natal
Saturn and brainstorm how you can make this happen:

uranus

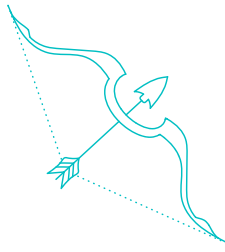

Does the Mercury retrograde aspect your natal Uranus? If so, what is the aspect?

Which house in your natal chart does your Uranus reside?

Which house(s) in your natal chart does your Uranus rule?

Uranus is the ruler of Aquarius so the house(s) your natal Uranus rules is the house that has Aquarius on the cusp. If none of your houses have Aquarius on the cusp, your Uranus is co-ruler of the house that has Capricorn on the cusp.

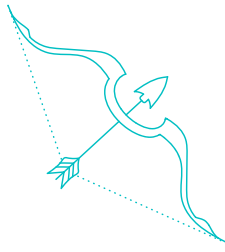

When will Mercury retrograde make this aspect to your Uranus?

*see lesson 6 of the e-textbook

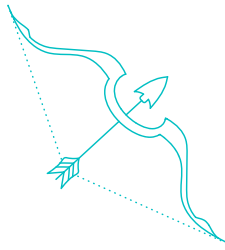

Note areas of life that may be impacted by what the Uranus rules, the house it resides in, and the house(s) it rules in your natal chart:

*Uranus rules change, your hopes and dreams for the future, individuality, and the unconventional.

What potential developments could occur related to *Mercury retrograde* aspecting your natal Uranus?

How can you prepare now to make this positive and beneficial?

Set a beneficial goal related to the *Mercury* retrograde aspecting your natal *Uranus* and brainstorm how you can make this happen:

neptune

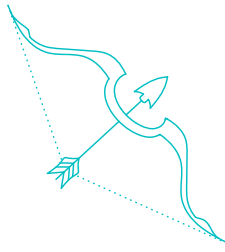

Does the Mercury retrograde aspect your natal Neptune? Is so, what is the aspect?

Which house in your natal chart does your Neptune reside?

Which house(s) in your natal chart does your Neptune rule?

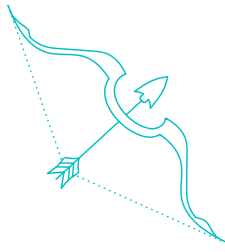

Neptune is the ruler of Pisces so the house(s) your natal Neptune rules is the house that has Pisces on the cusp. If none of your houses have Pisces on the cusp, your Neptune is co-ruler of the house that has Aquarius on the cusp.

When will Mercury retrograde make this aspect to your Neptune?
*see lesson 6 of the e-textbook

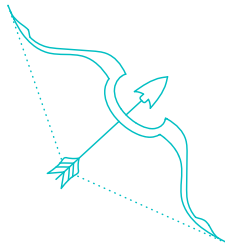

Note areas of life that may be impacted by what the Neptune rules, the house it resides in, and the house(s) it rules in your natal chart:

*Neptune rules your spirituality, imagination, intuition, empathy, and subconscious.

What potential developments could occur related to *Mercury retrograde* aspecting your natal Neptune?

How can you prepare now to make this positive and beneficial?

Set a beneficial goal related to the *Mercury* retrograde aspecting your natal
Neptune and brainstorm how you can make this happen:

Does the *Mercury retrograde* aspect your natal Pluto? If so, what is the aspect?

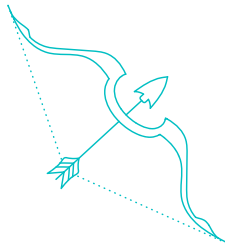

pluto

Which house in your natal chart does your Pluto reside?

Which house(s) in your natal chart does your Pluto rule?

Pluto is the ruler of Scorpio so the house(s) your natal Pluto rules is the house that has Scorpio on the cusp. If none of your houses have Scorpio on the cusp, your Pluto is co-ruler of the house that has Libra on the cusp.

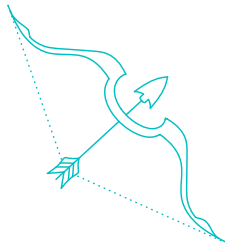

When will Mercury retrograde make this aspect to your Pluto?

*see lesson 6 of the e-textbook

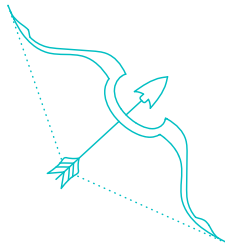

Note areas of life that may be impacted by what the Pluto rules, the house it resides in, and the house(s) it rules in your natal chart:

*Pluto rules power, control, transformation, passion, research, and what you hold deep inside.

What potential developments could occur related to *Mercury retrograde* aspecting your natal *Pluto*?

How can you prepare now to make this positive and beneficial?

Set a beneficial goal related to the Mercury retrograde aspecting your natal Pluto and brainstorm how you can make this happen:

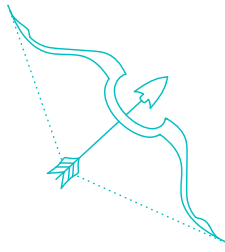

Which body is this?

extras

Which Zodiac sign and house does this body reside in your natal chart?

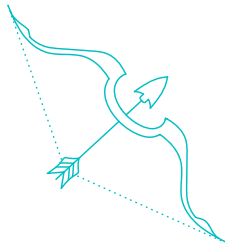

What aspect does the Mercury retrograde make to this body?

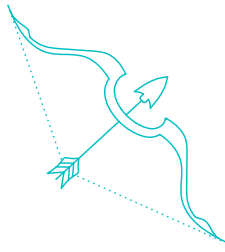

When will the Mercury retrograde make this aspect to this body?

Note areas of life that may be impacted by what this body rules and the house it resides in rules in your natal chart:

What potential developments could occur related to Mercury retrograde
aspecting this body?

How can you prepare now to make this positive and beneficial?

Set a beneficial goal related to the *Mercury* retrograde aspecting this body
and brainstorm how you can make this happen:

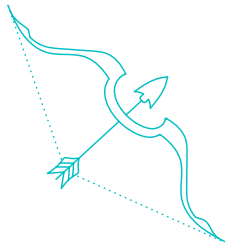

Which body is this?

extras

Which Zodiac sign and house does this body reside in your natal chart?

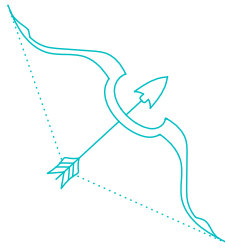

What aspect does the Mercury retrograde make to this body?

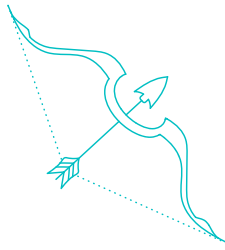

When will the Mercury retrograde make this aspect to this body?

Note areas of life that may be impacted by what this body rules and the house it resides in rules in your natal chart:

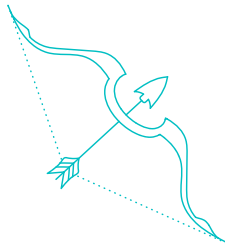

What potential developments could occur related to Mercury retrograde
aspecting this body?

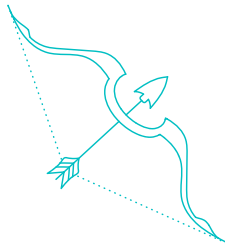

How can you prepare now to make this positive and beneficial?

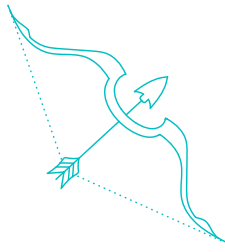

Set a beneficial goal related to the *Mercury* retrograde aspecting this body
and brainstorm how you can make this happen:
