IN

AQUARIUS

January 24th

RITUAL:

Aquarius is closely associated with manifestation, so use the New Moon to focus on what you want to manifest in your life. Write it down, speak it to the world, visualize, and believe in it.

FULL MOON

IN

LEO

February 9th
2020

RITUAL:

Leo Full Moons are excellent time for getting rid of what isn't needed. BUT not just anything, larger things that you feel have value, but maybe just not for you anymore, or that others would benefit more. Be generous with your heart - and stuff!
