(10) --->**

Pinterest Image Ideas:

You can also create infographic pins, including small bits of info in the Pinterest image itself, and then link to wherever you want (your website, blog, services, social, etc.). For astrology, you can create Pinterest images that give info about the signs, houses, planets, aspects, asteroids, elements, fixed stars - whatever you want! (11)

MARS IN ASTROLOGY

Mars quickie facts

Mars is the planet of energy and drive. In the natal chart, Mars shows how we use our energy, what drives us, and where we direct our energy. In transit, Mars energizes whatever it's touching.

- Rules the sign of ARIES
- Rules the 1st house
- Takes about 2 years to go through the Zodiac
- Spends about 2 months in one Zodiac sign
- Retrogrades every 2 - 2 1/2 years
- Retrograde lasts about 2 - 2 1/2 months
