

Services Page Layout:

About

Include info about:
how your readings are delivered
your current turnaround time
what you need from people to do the reading
what they can expect
your policies (though this can be a separate page you link to)
your disclaimer

THEN

Offer Your Services

Describe each service offer, who each will help, and how they're different. You can sell through the web host, connect with a payment processor, or use Paypal invoices (sent via email so they have to contact you).
